28 Defendants.

CASE NO. C 07-5491 PJH

**JOINT CASE MANAGEMENT
STATEMENT**

Initial CMC: February 7, 2008
Courtroom: 3, 17th Floor
Time: 2:30 p.m.
Judge: Hon. Phyllis J. Hamilton

JOINT CASE CONFERENCE STATEMENT

The parties to the above entitled action, AIU Insurance Company ("AIU" or "plaintiff") and Defendants Acceptance Insurance Company ("Acceptance"), TIG Insurance Company ("TIG"), Royal Indemnity Company as successor-in-interest to Royal Insurance Company of America (erroneously sued as Royal Insurance Company of America) ("Royal") and American

1 Safety Risk Retention Group, Inc. ("American Safety") (collectively "defendants") jointly submit
2 this Case Management Statement.

3 (1) Jurisdiction and Service

4 Jurisdiction is founded on diversity of citizenship pursuant to 28 U.S.C. § 1332, in that
5 there is complete diversity among the parties and the amount in controversy, exclusive of interest
6 and costs, exceeds the sum of \$75,000. Venue in this district is appropriate because some of the
7 events which give rise to this lawsuit occurred in the County of San Mateo. There are no issues
8 regarding personal jurisdiction or venue. All known parties to this action have been served and
9 have filed answers to the complaint.

10 (2) Facts

11 This action presents issues regarding allocation and priority as between primary and excess
12 general liability insurance policies issued to Rylock Company, Ltd. ("Rylock"), a window
13 manufacturer. The basic facts are set forth below.

14 (a) The Insurance Profile

15 As more fully described in the complaint, Acceptance issued primary commercial general
16 liability policies to Cedar Corp. for the period March 1, 1992 to March 1, 1996. The policy from
17 the period of March 1, 1995 through March 1, 1996 excludes Rylock as an insured. TIG issued a
18 primary general liability policy to Rylock for the period March 1, 1995 to March 1, 1996. Royal
19 issued primary commercial general liability policies to California Cedar Products under which
20 Rylock qualifies as an insured, on an annual basis for the period March 1, 1996 to March 1, 2000.
21 There is a dispute regarding the policy or policies of insurance issued by American Safety. AIU
22 asserts that American Safety issued two consecutive primary general liability policies for the
23 period March 1, 2000 to March 1, 2002. American Safety contends that it issued a single primary
24 general liability policy for the period March 1, 2000 to March 1, 2001. Also as more fully
25 described in the complaint, AIU issued excess liability policies for the period March 1, 1996 to
26 March 1, 2002.

27 (b) The Underlying Events

28 Beginning in 2002, a number of homeowners filed construction defect lawsuits against

McCURDY & FULLER LLP
4300 Bohannon Drive, Suite 240
Menlo Park, CA 94025
(650) 618-3500

various homebuilders. The alleged defects included defects pertaining to Rylock windows installed in the homes. In response, the various homebuilders filed cross-complaints against their subcontractors and suppliers, including Rylock. Upon notice of the lawsuits against it, Rylock tendered the claims to its insurance carriers, including, Acceptance, TIG, Royal, American Safety, and AIU.

AIU contends, and Royal disputes, that the insured had a practice of “electing” the Royal policies to provide the sole defense and indemnity for the underlying claims. Royal contends, and AIU disputes, that the insured tendered the underlying claims to all of its insurers and that the insured did not “elect” only the Royal policies to defend and indemnify it for the underlying claims. Royal also asserts that each of its policies is exhausted, or is nearing exhaustion.

(c) The Insurance Dispute

The issues presented by this matter are as follows:

- Has Royal properly exhausted its policies such that Royal may discontinue further defense and indemnity of Rylock in pending claims?
- Do/did Acceptance, TIG, and/or American Safety have an obligation to defend or indemnify Rylock for any of the underlying claims?
- Whether payments by other insurers “refresh” the Royal policies after they have been exhausted by payment of settlements and/or judgments?
- Is Rylock or its assignee, CMA Business Credit Services, obligated under the American Safety policy/ies to pay over and deposit the applicable self-insured retention as a condition precedent to any obligation by American Safety to provide or continue to provide indemnity, coverage, or a defense to Rylock?
- Does AIU, the excess carrier, have a present obligation to defend or indemnify Rylock in the pending actions?

(3) Legal Issues

The legal issues raised by this matter, including references to specific statutes and decisions, if any, are as follows:

- At what point may Royal properly discontinue further defense and indemnity of

Rylock on the basis of exhaustion?

- Did Acceptance, TIG, and/or American Safety pay their share of the claims or do they have an obligation to defend and indemnify Rylock?
- In what manner may the applicable self-insured retention provided by the American Safety policy/ies be satisfied; *i.e.*, must the insured or its assignee personally satisfy the self-insured retention or may it be satisfied by other valid and collectible insurance?
- At what point does AIU, Rylock's excess carrier, have an obligation to defend or indemnify Rylock in the pending actions in light of the unexhausted primary coverage?

(4) Motions

There are presently no pending motions before this Court. AIU and American Safety anticipate filing motions to seek rulings on the factual/legal issues raised herein as quickly as possible. Upon exhaustion of its policies, Royal anticipates filing a motion seeking dismissal. TIG anticipates filing motions as well.

(5) Amendment of Pleadings

The parties do not anticipate the filing of amended pleadings at this time, although to the extent new facts, additional causes of action, or defenses are identified through discovery, amended pleadings may be filed. Royal may move for leave to file a counterclaim.

(6) Evidence Preservations

The parties have taken and will continue to take all necessary steps to preserve evidence relevant to the issues reasonably evident in this action.

(7) Disclosures

The deadline for serving the initial disclosures was February 14, 2008. Based upon the unique issues presented by this matter, the parties stipulated to continue the initial disclosure deadline to March 14, 2008 in order to seek this Court's assistance in instituting a more appropriate disclosure method.

1 (8) Discovery

2 AIU anticipates that discovery in the matter will attempt to determine: (1) the pertinent
3 claims leading to Royal's alleged exhaustion; (2) the time-period in which the property damage
4 alleged in each such claim took place; and (3) what amounts were paid under each policy
5 applicable to each claim. The anticipated discovery and the schedule of the same are as follows:

6 The Parties anticipate discovery under these timelines:

7 Feb.-March 2008 Federal Rule 26(a)(1) Disclosures

8 March - July 2008 Written Interrogatories

9 Requests for Admission

10 Production of Documents

11 May 2008 Mediation

12 August - Jan 2009 Depositions (expert and non-expert)

13 (9) Class Actions

14 This matter is not expected to become a class action.

15 (10) Related Cases

16 The parties are informed and believe that there are actions currently pending against
17 Rylock. Further information regarding said cases will be determined throughout discovery in this
18 matter.

19 (11) Relief

20 (a) Plaintiff AIU seeks the following relief:

21 AIU seeks an order from this Court declaring that the Royal policies are not exhausted
22 because Royal is entitled to reimbursement for defense and indemnity costs of other primary
23 insurers on the risk. AIU also seeks an order that the American Safety policy/ies do not require
24 that the insured personally satisfy the self-insured retentions provided for therein. AIU also seeks
25 an order that AIU has no duty to defend or indemnify Rylock until all underlying insurance,
26 including the American Safety policy/ies, has been exhausted by payment of claims.

27 (b) Defendant Acceptance seeks the following relief:

28 Acceptance seeks an order from the Court that it does not have an obligation to equitably

1 contribute to Royal on these claims.

2 (c) Defendant TIG seeks the following relief::

3 TIG seeks an order from this Court that: (1) TIG has no obligation to reimburse Rylock
4 because some or all of the claims are time-barred; and (2) TIG has no obligation to reimburse
5 Rylock because it is already participating in the defense of all or many of the claims.

6 (d) Defendant Royal seeks the following relief:

7 Upon exhaustion of its policies Royal will seek an order from the Court that the limits of
8 the Royal policies Policy PTY 441053 effective for the period March 1, 1996 to March 1, 1997,
9 Policy No. PTS No. 443208 effective for the period March 1, 1996 to March 1, 1998, Policy No.
10 PTR 457882 effective for the period March 1, 1998 to March 1, 1999, and Policy No. PTR
11 4578820099 effective for the period March 1, 1999 to March 1, 2000, have been properly
12 exhausted through payment of settlements or judgments made on behalf of Rylock and therefore
13 Royal has no further obligation to defend or defend any insured under its policies. Royal will also
14 seek an order from the Court that defense and indemnity obligation under its policies may not be
15 "refreshed" or reactivated by payment of any amounts that may be owed to Rylock by any other
16 insurance company.

17 (e) Defendant American Safety seeks the following relief:

18 American Safety seeks an order from the Court that it does not have a duty to defend
19 and/or indemnify Rylock because Rylock or its assignee have failed and refused to pay over and
20 deposit the self-insured retention as required by the American Safety policy/ies, thereby failing to
21 satisfy a condition precedent to any obligation by American Safety to defend or indemnify Rylock.

22 (12) Settlement and ADR

23 The parties agree to submit this matter before a private mediator to be jointly selected and
24 scheduled by the parties. AIU contends that such process will not be meaningful until it obtains a
25 ruling on its anticipated summary judgment motion with respect to the manner in which the
26 American Safety self-insured retentions may be satisfied. Acceptance contends such process will
27 not be meaningful until all parties have the claims files of Royal. TIG contends that this process
28 will not be meaningful until all claims at issue are identified by Royal, and AIU's summary

1 judgment motion against American Safety is determined. Royal contends that mediation will be
 2 most likely to succeed once its policies are exhausted and the Court has ruled on the legal issues in
 3 this case.

4 The parties agree to participate in ADR. To date, the parties have not participated in any
 5 ADR efforts. The parties timely filed the Joint ADR Certification with Stipulation to ADR
 6 Process or Notice of Need for ADR Phone Conference by the January 17, 2008 deadline. Before
 7 ADR can be completed, the parties must obtain from Royal information regarding which claims
 8 allegedly exhausted its policies. AIU asserts that ADR should not proceed until it obtains a ruling
 9 as respects satisfaction of the American Safety policy's/ies' self-insured retention.

10 (13) Consent to Magistrate Judge for All Purposes

11 The parties do not consent to the assignment of a magistrate to this matter.

12 (14) Other References

13 This matter is not suitable for reference to binding arbitration, a special master, or the
 14 Judicial Panel on Multidistrict Litigation.

15 (15) Narrowing of Issues

16 As it presents a purely legal issue, AIU anticipates that the issues pertaining to satisfaction
 17 of the American Safety policy's/ies' self-insured retention may be disposed of by motion practice.
 18 With respect to allocation under the various policies, such issues present factual questions which
 19 may ultimately require trial. However, the parties hope to narrow the issues by stipulating, to the
 20 extent possible, regarding which claims are at issue and the dates related thereto (including
 21 installation dates, notice of completion dates, and/or close of escrow dates) so that the pertinent
 22 time-frame for each claim can be identified.

23 (16) Expedited Schedule

24 The parties believe that this case is not appropriate for handling on an expedited basis.

25 (17) Scheduling: Proposed Deadlines and Court Dates/Trial Date

| | |
|--|------------------|
| 26 Last day to amend pleadings | July 16, 2008 |
| 27 Close of non-expert and third-party discovery | December 3, 2008 |
| 28 Exchange of expert reports | December 3, 2008 |

McCURDY & FULLER LLP
 4300 Bohannon Drive, Suite 240
 Menlo Park, CA 94025
 (650) 618-3500

1 Close of expert discovery February 5, 2009

2 Dispositive motions due February 12, 2009

3 Proposed Trial Date May 14, 2009

4 (18) Trial

5 Plaintiff properly requested jury trial for this matter. Without further information from
6 Royal regarding which claims are potentially at issue, the parties are unable to determine a precise
7 length for the trial. To the extent the parties can stipulate to factual issues as noted above, the
8 parties believe the matter may be tried in 10 court days.

9 (19) Disclosure of Non-party interested Entities or Persons

10 AIU filed a "Certification of Interested Entities or Persons" identifying the following
11 entities:

- 12 (a) Acceptance Insurance Company;
- 13 (b) TIG Specialty Insurance Company;
- 14 (c) Royal Insurance Company of America;
- 15 (d) American Safety Risk Retention Group, Inc.;
- 16 (e) Rylock Company, Ltd and its assignees

17 Acceptance did not file a "Certification of Interested Entities or Persons" but identifies the
18 following entities:

- 19 (a) Acceptance Insurance Company;
- 20 (b) TIG Specialty Insurance Company;
- 21 (c) Royal Insurance Company of America;
- 22 (d) American Safety Risk Retention Group, Inc.;
- 23 (e) Rylock Company, Ltd and its assignees

24 TIG did not file a "Certification of Interested Entities or Persons" but identifies the
25 following entities:

- 26 (a) Acceptance Insurance Company;
- 27 (b) Royal Insurance Company of America;
- 28 (c) American Safety Risk Retention Group, Inc.;

McCURDY & FULLER LLP
